Dear Mansfield Township Community,

I hope this letter finds you all well and enjoying your summer. I wanted to let you know that Dr. Giordano submitted his notice of resignation. He is taking a position at a larger district. We thank him for his service, and wish him all the best.

Administrative stability is important to the Board, and the Board is taking prompt action to ensure administrative direction for the upcoming school year. In full transparency, it is our wish to start the school year fresh and have a smooth transition for the students and staff. Our goal is to have an Interim Superintendent in place by the start of the new school year. We will be interviewing candidates over the summer. Dr. Giordano will continue in his current role until an Interim is in place.

An Interim Superintendent will provide administrative leadership for the start of the school year, while allowing the Board to do its appropriate due diligence in finding the right person for the permanent job. During this time, we will also be advertising and interviewing candidates for the full time, permanent position.

We understand that this news may cause some uncertainty, but please know that the educational vision and mission of our public school remains certain, and the Board is doing everything in its power to accomplish that mission, working with our dedicated educators. If you have any questions or concerns, please feel free to contact me at [quinnc@mansfieldtsd.org](mailto:quinnc@mansfieldtsd.org).

Have a great summer!

Warm regards,

Connie Quinn  
Board President  
Mansfield Township School District
