Dear Kindergarten Families,

It is my pleasure to welcome you to Mansfield Elementary School. Beginning kindergarten is such an exciting milestone in your child's life. We can't wait to meet you and begin this journey together.

We invite you to join us for a Kindergarten Orientation on Monday, August 29th at 5pm. During the orientation, students will meet their teacher and spend time in their classroom getting comfortable with their surroundings and learning about the year to come. While students are with their teachers, parents will meet as a whole group in our cafeteria with myself and other members of our staff. We will provide an overview of "All Things Kindergarten" as well as open up for a question and answer period. On Monday, August 15th you will receive information that will inform you of your child's teacher for this school year. Please come to the orientation aware of the teacher's name, as that will help streamline the event.

Following the orientation, the Mansfield PTA will be providing pizza and snacks for all kindergarten students and their families at our playground. During this time the students will be able to play on the equipment and socialize with new kindergarten friends. The orientation and play sessions will be roughly one hour each.

I look forward to meeting you all.

Respectfully,

John Melitsky
Principal
